CORONAVIRUS STATEMENT

In light of the current coronavirus outbreak, COLLECTIBLE is taking the situation very seriously and tightly monitoring its developments for the security and safety of its exhibitors and visitors.

We would like to reiterate that the situation in Belgium is stable and safe. COLLECTIBLE is in daily contact with the relevant authorities, in particular the Federal Public Service for Public Health. We follow each and every official guidance and recommendations with regards to the coronavirus and will continue to do so should the situation develop. A website has been put in place by the Belgian authorities which can be consulted here: <https://www.info-coronavirus.be/en/>

Meanwhile we have decided to take immediate steps to ensure the highest possible hygiene measures at the fair, with reinforced sanitising actions from expert services for its entire duration.

COLLECTIBLE will take place from 5-8 March 2020 at the Vanderborcht Building in Brussels and looks forward to welcoming visitors to its 3<sup>rd</sup> edition.
